

2014

HYUNDAI
AZERA

THAT RARE CHOICE THAT DOESN'T FEEL LIKE COMPROMISE.

Presenting the 2014 Hyundai Azera.

Everywhere you look, Hyundai Azera has the premium features you want, and dare we say, you deserve. Under the hood, you'll find a silky-smooth 293-horsepower V6 that uses a SHIFTRONIC® 6-speed automatic transmission to help it make haste, not waste: Azera's engine technology is remarkably fuel efficient, and equally outstanding in its emissions standards.

Now close your eyes and imagine you're driving Azera. That beautiful balance of ride comfort and handling control you're feeling is courtesy of an innovative suspension that Hyundai engineers also employ on our luxury performance sedans, the Genesis and Equus.

Turn your attention to the interior. Azera has the most front-seat legroom and the most front headroom in its class. It's space covered with supple leather and filled with standard features. Get out your checklist: It's got a 10-way power driver seat. A 6" or 8" color LCD audio display with rearview camera. And then, there's Blue Link®, our innovative suite of advanced telematics.¹

Of course, if you lean towards looks, you're not alone in admiring Azera. Hyundai's Fluidic Sculpture design philosophy shaped it into a sedan so beautiful, it was honored as a 2012 GOOD DESIGN™ recipient – an award bestowed upon the world's most prominent designers and manufacturers for advancing new, visionary and innovative product concepts.²

The 2014 Hyundai Azera. It's one of those rare choices in life that doesn't require a compromise.

¹ Blue Link[®] subscription service agreement required. Features vary by subscription plan. Blue Link service works using CDMA-based cellular networks in the 50 United States. Blue Link service is not available where there is no cellular coverage, particularly in enclosed or remote areas. Service availability may be affected by signal strength, foliage, weather, topographical conditions (mountains) and nearby structures (tall buildings, tunnels) and other factors. ² GOOD DESIGN[™] is a Federally Registered and Protected Trademark of The Chicago Athenaeum Metropolitan Arts Press, Copyright 1992-2013.

¹The Bluetooth® wordmark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Hyundai is under license. Other trademarks are those of their respective owners. Infinity® is a registered trademark of Harman International Industries, Inc. The HD Radio, HD Digital Radio and HD Digital Radio Alliance are wordmarks and trademarks of iBiquity Digital Corporation, used under license by the HD Digital Radio Alliance. SiriusXM Satellite Radio requires a subscription sold separately after a trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-866-635-2349 to cancel. Please see the SiriusXM Customer Agreement for complete terms at www.siriusxm.com. Other fees and taxes will apply. All fees and programming are subject to change. Sirius satellite service is available only to those at least 18 years of age in the 48 contiguous USA states, DC, and Puerto Rico (with coverage limitations). SiriusXM Internet Radio service is available throughout our satellite service area and in AK and HI. ©2013 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. iPod® is a registered trademark of Apple Inc. ²Remote Vehicle Start is only available for push-button start equipped vehicles with an automatic transmission or a Dual Clutch Transmission. Not available on all models. ³Standard on Azera Limited. ⁴Optional on Azera Limited.

HYUNDAI BLUE LINK® Our innovative suite of telematics brings infotainment, safety and service together in one highly intelligent system. You can search for points of interest using voice commands and download them to the navigation system for turn-by-turn directions. If your Hyundai is stolen, Blue Link can immobilize it. Teenager borrowing the car? Geo-Fence, Speed and Curfew Alert features let you rest easy. Blue Link even assists you before you drive with a mobile app that lets you lock, unlock and start your Hyundai remotely.² For a full list of features, visit HyundaiBlueLink.com.

HI-TECH NAVIGATION Azera's available advanced navigation system uses simple voice commands to control turn-by-turn navigation, request traffic or weather updates, and more. You can also tap icons on the 8" high-resolution touchscreen to search for points of interest as easily as you select your favorite radio stations. The nav screen also serves as a monitor for the rearview camera that's part of Azera's parking guide feature.

AZERA LIMITED in Chestnut Brown Leather

AZERA LUXURY

PERCEIVING IS BELIEVING.

Listen to your senses. They'll tell you all you need to know about Hyundai Azera.

The sensations Azera inspires flow from many sources: The supple leather seats. The 3D Carbon Fiber-inspired trim. An available panoramic sunroof up above, and blue ambient lighting down below. Step into Azera, and you'll immediately sense how large and welcoming it is. Azera Limited treats both front and rear-seat passengers to heated leather seats. The front seats are also ventilated for comfort in every climate and feature an Integrated Memory System for individualized seat, side mirror and steering column settings.

Grip the leather-wrapped steering wheel, and Azera conveys another strong sensation: Control. Switches on the wheel give the driver fingertip command over the audio, Bluetooth® and cruise control systems. Your ears will also delight in the impeccable clarity of Azera's audio technologies. An available 550-Watt Infinity® Logic7® Surround Sound premium audio system uses 14 speakers and a subwoofer to create rich, full sound no matter where you're seated. It's perfect for enjoying your choice of HD Radio,™ SiriusXM® Satellite Radio, Bluetooth audio streaming from your smartphone, or music mixes from your iPod.®¹

- VENTILATED FRONT SEATS³
- REARVIEW CAMERA

AZERA HAS BEEN
NAMED A 2013 IIHS
TOP SAFETY PICK.

تلفن: ۰۲۱-۸۸۸۶۲۰۸۵

FarmaSOS.com

¹ IIHS Top Safety Pick: Based on Insurance Institute for Highway Safety 40 mph moderate overlap frontal crash test, 31 mph side-impact test, 20 mph rear-impact test and roof strength testing. Test performed by the Insurance Institute for Highway Safety. For details, visit www.iihs.org. The Supplemental Restraint System (SRS) is designed to work with the 3-point seatbelt system. The SRS deploys in certain frontal and/or side-impact conditions where significant injury is likely. The SRS is not a substitute for seatbelts, which should be worn at all times. Children under the age of 13 should be restrained securely in the rear seat. NEVER place a rear-facing child seat in the front seat of a vehicle that has a passenger-side airbag. Vehicle Stability Management is meant to enhance conscientious driving habits and is not a substitute for safe driving practices. ² Optional on Azera Limited.

SMOOTH, SPORTY HANDLING There's no sacrificing ride comfort for handling control at speed. Azera's suspension uses SACHS Amplitude Selective Damping to brilliantly blend the responsive feel of a sports sedan with the smooth ride of a luxury car. It's so good, Hyundai engineers have employed this suspension on our premium Genesis sedan.

MECHANICAL MAGNIFICENCE

Gasoline Direct Injection sprays a fine mist of fuel directly into the cylinder for more powerful and efficient combustion. Dual Continuously Variable Valve Timing allows each engine intake and exhaust valve to be controlled independently, serving to minimize emissions while offering substantial gains throughout the entire RPM range.

AZERA LIMITED with Premium Package in Silver Frost Metallic

AZERA ENGINEERING

STYLE IS NOTHING WITHOUT SUBSTANCE.

**What Azera promises on the surface,
it delivers in performance.**

Look past the available Xenon HID headlights, with that necklace of LED lights. Just behind those glittering eyes is the soul of Azera: A powerful, clean and efficient 3.3L V6 engine that uses advanced technologies like Gasoline Direct Injection and Continuously Variable Valve Timing to create a win-win situation – a robust 293 horsepower for responsive acceleration with impressive fuel economy. At the press of a button, Azera's Active ECO System modifies engine and transmission controls to smooth out shift points and help optimize fuel efficiency even further.

A motor-driven power steering system lends Azera a best-of-both-worlds steering feel: Lighter at lower speeds for easy maneuverability, and progressively more firm as your speed increases. There's no compromise when it comes to your safety, either. The 2013 Azera was named an IIHS Top Safety Pick, thanks to high marks derived from a well-designed chassis, a 9-airbag protection system with a driver's knee airbag, and an advanced Vehicle Stability Management system.¹

PREMIUM & PERFORMANCE FEATURES

(See specifications section for availability by model)

- PROXIMITY KEY ENTRY WITH PUSH-BUTTON START
- REAR PARKING ASSISTANCE SYSTEM
- VEHICLE STABILITY MANAGEMENT SYSTEM
- 19" ALLOY WHEELS²
- ACTIVE ECO SYSTEM
